

# Reward Principals

From *The Law of Rewards*; Giving what you can't keep to gain what you can't lose by Randy Alcorn

1. **Giving brings greater blessing than receiving.**
2. **When we invest money (and our time and talents) now in God's kingdom, we will receive great rewards later in heaven (eternal vs. temporal mind set).**
3. **God offers us rewards that are eternal, imperishable, and inexhaustible.**
4. **When we see our lives through the lens of eternity, our attitude toward wealth will change drastically.**
5. **Obedying God is not only right, it's smart. It will always pay off in the end.**
6. **We will have differing levels of reward in heaven, depending on our actions and choices on earth.**
7. **Desiring rewards is a proper motivation for serving Christ.**
8. **We are not to be motivated primarily by earthly power, possessions, and pleasures, yet we are offered all three in heaven if we invest now in God's kingdom.**
